# James B

**TECNICAL FEATURES**

**Structure:** in solid fir wood, multi-ply wood and wood fiber, padded with polyurethane foam and covered with a white fabric joined with polyester fiber. Suspension with reinforced elastic belts.

**Padding:** seat cushions in nondeformable polyurethane foam of various densities, wrapped in sterilized goose feathers, divided into sections. Back cushions in sterilized goose feathers, mixed with polyester fiber, divided into sections.

**Feet:** in graphite grey varnished metal.

**Covers:** fabric version completely removable with “Flat” stitchings. Leather version non-removable with “Flat” stitchings.

**Important notes:** the padding in goose feathers gives to the sofa a vintage and informal look. The shapes of the back cushions are therefore soft and irregular.
It is not recommended to use a vacuum cleaner on cushions with feather.

**CARATTERISTICHE TECNICHE**

**Struttura:** in legno di abete, multistrato e fibra, imbottito con poliuretano espanso e rivestito da una fodera in vellutino bianco accoppiato a fibra di poliestere. Molleggio a cinghie elastiche rinforzate.

**Imbottitura:** cuscini di seduta in poliuretano espanso indeformabile a densità differenziate, rivestiti in piuma d’oca sterilizzata, suddivisa in comparti. Cuscini di schienale in piuma d’oca sterilizzata, miscelata a fibra di poliestere, suddivisa in comparti.

**Piedini:** in metallo verniciato grigio grafite.

**Rivestimento:** versione in tessuto completamente sfoderabile con cuciture “Piatte”. Versione in pelle non sfoderabile con cuciture “Piatte”.

**Note importanti:** le imbottiture in piuma conferiscono al divano un aspetto destrutturato e vissuto. Le forme dei cuscini schienale risulteranno quindi morbide ed irregolari.
Si sconsiglia l’uso dell’aspirapolvere sui cuscini in piuma.

**TECHNISCHE DATEN**

**Struktur:** aus Tannenholz, Schichtholz und Faserplatte, gepolstert mit Polyurethanschaum und bezug mit weißem Samt und Polyesterfasern. Unterfederung aus verstärkten elastischen Gurten.

**Polsterung:** Sitzkissen aus formstabilem Polyurethanschaum verschiedener Härtegrade, komplettiert durch sterilisierten Gänsefedern, unterteilt in Kammern. Rückenkissen aus sterilisierten Gänsefedern, gemischt mit Faserflocken, unterteilt in Kammern.

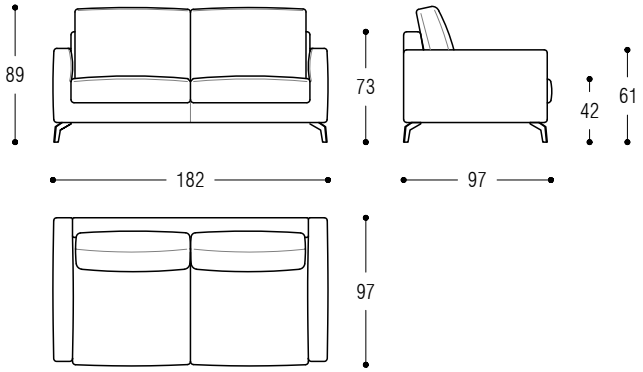

**Füße:** aus graphitgrau lackiertem Metall.

**Bezug:** Stoffversion komplett abziehbarer mit „Flache“ Nähten. Lederversion nicht abziehbarer mit „Flache“ Nähten.

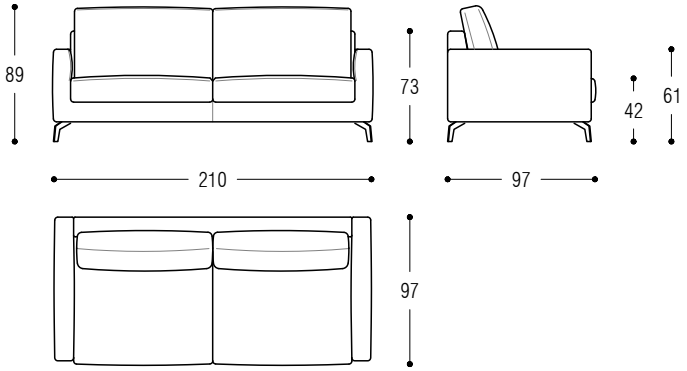

**Wichtige Hinweise:** Die Federnfüllung verleiht dem Sofa bewusst einen lässigen, altmodischen Eindruck. Die Formen der Rückenkissen sind daher weich und unregelmäßig.
Wir raten davon ab, einen Staubsauger für Kissen mit Federn zu verwenden.
